ABOUT

I am a passionate and motivated student currently pursuing my Bachelor's degree at Annamacharya Institute of Technology and Sciences (AITS). I am eager to learn new technologies, develop my professional skills, and gain practical experience in the field of technology. I am a quick learner, a team player, and always ready to take on new challenges

Education

Bachelor of Technology (B.Tech) – Computer Science and Information Technology (CSIT)
Annamacharya Institute of Technology
Intermediate (MPC)
IIT Amaravati Academy
2022 – 2024
Completed Intermediate education with a focus on Mathematics, Physics, and Chemistry.
Silver Bells Central School
Completed in 2022
Completed secondary education with a strong academic foundation

Technical skill

I have knowledge of HTML and CSS and have learned the fundamentals of web development. I developed a website based on actor Nani using HTML and CSS, which helped me improve my skills in webpage design, layout creation, and responsive user interfaces.

projects

YNani Fan Website

Designed and developed a personal website dedicated to actor Nani using HTML and CSS. Created a user-friendly interface with sections such as biography, movies, awards, gallery, and contact information to enhance web development skills.

Internships

Internships: Completed internships at Scaro Technologies, Atrisol Technologies, and Axpert Solutions, gaining hands-on experience in software development, web technologies, and professional industry practices.h

certificates

pEarned certifications in Web Development and other technical training programs, demonstrating a commitment to continuous learning and skill development in the field of technology.

Achievements

Achievements: Developed a Nani Fan Website using HTML and CSS, completed multiple internships, and earned certifications in Web Development and technical skill development programs.
